Subject: PSC Docket No. 18-0933 (CUC)-Deadline

All: I am in receipt of the Delaware Association of Alternative Energy Providers', the Mid-Atlantic Propane Gas Association's, and the Mid-Atlantic Petroleum Distributors Association's Joint Petition to Intervene. Since The Public Advocate's and Staff's joint Motion to Dismiss the Petition filed by CUC and CUC's response thereto has been set directly before the Commission on Thursday, November 8 pursuant to their request, my inclination is to also set this Petition to Intervene and any Responses thereto that same day directly before the Commission. If the Commission rules for Staff and the Public Advocate, the Commission may not address the Petition to Intervene until a later date after an Amended Petition is filed.

Responses to the Petition to Intervene would be due on or before *12 Noon on Thursday Nov. 1* so that they could be transmitted to the Commissioners along with the Petition.

Please advise by *12 Noon on Tuesday October 16* as to whether or not you agree with this approach.
